EXPERIENCE

FSL Learning

Full Stack Developer Intern

Aug 2024 - Present

Jaipur, India

I am currently undergoing training in full-stack development, focusing on modern web technologies. This comprehensive program encompasses both front-end and back-end development, including HTML, CSS, JavaScript, React, Node.js, Express, MongoDB, and Tailwind CSS. As part of the curriculum, I collaborate with mentors and peers to build real-world applications, enhancing my practical skills and understanding of full-stack development.
